

# QUILT RAFFLE

Quilt Name: "AEGEAN SEA"  
Designed By: Judy Martin from the book Stellar Quilts  
Made by: The Brunswick Quilters with special thanks to  
Lucymarie Timmermann  
Machine Quilted by: Barbara Hutton  
Size: 96" x 96" (Queen Size bed)

Each Aegean Star in this quilt is surrounded by waves not unlike those around Greece and her many islands. Made of 100% cotton fabric, this beautiful quilt is quite befitting our seaside lifestyle and reminds us of our ocean or of a visit to this lovely part of the Carolinas.

Truly a labor of love made by the Brunswick Quilters, a non-profit organization, "Aegean Star" has over **150 hours** of handwork from assembling the right colors, fabric and textures, to cutting, sewing, and finally quilting the layers together with just the right pattern to enhance each member's work. This lovely heritage quilt is perfect for any home - whether as wall art or a bed cover.

Proceeds from this quilt raffle will help support the many charitable efforts of the Brunswick Quilters Guild including:

- Newborn quilts and knitted caps for the newborn babies at *Brunswick Community Hospital*
- Quilts for *Habitat for Humanity Houses*
- Cognitive therapy quilts for *Autumn Care*
- Pillow cases and quilts for the family shelters in the Brunswick County area and *The Boys and Girls Home of Waccamaw*
- Lap quilts for the wheelchair military veterans
- Walker bags for *Autumn Care, Shallotte Assisted Living, Cancer Survivor Program, and Ocean Trails Convalescent Center in Southport*

The Brunswick Quilters guild has over 70 members and meets regularly in Shallotte, North Carolina. They encourage new members, from beginners to experts, to join this growing organization. For more information, check out [www.BrunswickQuilters.com](http://www.BrunswickQuilters.com) for details.
